

Harbor 20 - Fleet 1 HIGHLIGHTS

VOL.2 JULY 2024

A Message from your Fleet Captain:

Thanks for the great response to our first issue of *Highlights*. Our new Fleet 1 Newsletter is devoted to keeping our membership up to date on what's happening with the fleet. Here's more news from Fleet 1 about what's ahead this summer.

Last quarter was filled with wonderful regattas and education opportunities to keep upping our game. This upcoming quarter we move from education to a tremendous number of opportunities to race. The weather is more inviting and the yacht clubs throughout the bay gear up for racing almost every night of the week. Plus, for those who may prefer competition of another sort, mark your calendars for the Heritage Regatta on Saturday, 8/17 at LIYC. This "scavenger hunt" followed by a party of all parties will not disappoint!

Your Board continues to work to ensure our Fleet standards are upheld, records and accolades for advancement are provided and we promote good times on and off the water. Let me know if you have any thoughts on what we can do better for you.
Kari Bretschger – Fleet Captain, Fleet 1
