

## A Message from your Fleet Captain:

Welcome to the first issue of *Highlights*. Our new Fleet 1 Newsletter is devoted to keeping our membership up to date on what's happening with the fleet. And there's a lot happening! So far this year your Board has met twice and seated the new Board including new Treasurer, Kris Harrison, Secretary, Heidi Hall, and myself as your new Fleet Captain.

Further, the Board has agreed to some new initiatives, a better connected education program with both in classroom and on the water components, authorized a program including tools for boat measurement, agreed to a fiscally sound budget process and agreed to run and conduct regattas and social events throughout the year.

There's great energy in the Board room and we are looking forward to a fantastic year filled with fun times on and off the water! I'm hoping that if you are involved you stay involved and if you're not, come and find out what you've been missing! See you soon!

*Kari Bretschger – Fleet Captain, Fleet 1*

## Kicking Off a Busy Season:

### **Regattas:**

It was a busy first quarter for Harbor 20 fleet racing. There were six high point regattas in the first three months and February provided the opportunity to race every weekend either at BYC, NHYC or BCYC!

BYC  
Sunkist Series  
2/3/24

### **Education:**

Each month Peter Haynes along with Phil Thompson and a team of expert mentors provided either a seminar or a clinic to increase sailing expertise for your fleet. Participation was robust with lots of sailors looking to up their game! Thanks to LIYC, BCYC and BYC for hosting.
